I saw that the Navy's comment letter (see pdf) came into Region 9 late. I read it and got a little annoyed so attached are some initial comments in a Word file.

Stuart/Dianna/Maryt –

Attached is the Navy's response to the Region's August 20, 2020 letter on the building remediation goals at the Hunters Point site.

Enrique will probably follow up later this week with an email to your management and the letter and planned next steps.
